Once the Draw has been made, there can be no change, unless a player from a seeded team withdraws prior to the commencement of the final stages of the Competition and this adversely affects the seeding, in which case the Referee may request the Committee to adjust the seeding or to make the Draw again.

If two Nations score an equal number of points, the head-to-head result between these Nations shall decide the winner.

If three or more Nations score an equal number of points the following procedure shall be used:

- The number of matches won shall decide the winner.
- If matches won are equal, the percentage of sets won of sets played against all teams in the pool shall decide the winner.
- If percentage of sets won are equal, the percentage of games won of games played against all teams in the pool shall decide the winner.

Where a match tiebreak is played, the tie-break shall be counted as one (1) set and one (1) game for the purposes of the standing's calculation.

When three or more Nations are tied on points, head-to-head results are never used to determine the positions in the group.

If any match is stopped and not completed for reasons of injury, etc, the full score shall be counted. Example: Player A leads over Player B by 6-1, 2-0 when Player B is injured and unable to continue. Player A's victory shall be counted as 6-1, 6-0 for the purpose of calculating sets and games won. 61. SPONSORSHIP REQUIREMENTS

a) ITF World Junior Tennis

The ITF retains the right to secure sponsors (Title & International Partners) for the ITF World Junior Tennis Competition, to include sponsorship of all Regional Qualifying competitions.

The ITF will provide each Host Nation with a Sponsorship Manual detailing their rights to secure Domestic Sponsors for the Competition. Domestic Sponsors must not be concerned with the business of the provision of online educational services, or other related services, in order to afford category exclusivity to Dwight Global as an international sponsor. The Sponsorship Manual will also provide specific instructions regarding the dressing of competition courts with sponsor identification.

The Host Nation will also be informed about the services provided by the international sponsors.

b) Davis Cup Juniors and Billie Jean King Cup Juniors

The ITF retains the right to secure sponsors (Title & International Partner) for the Davis Cup Juniors and Billie Jean King Cup Juniors Competitions, to include sponsorship of all Regional Qualifying competitions.

In securing the international sponsorship of the Davis Cup Juniors and Billie Jean King Cup Juniors, the ITF has to guarantee that the advertising within the site where the Competition will be played, is exclusively reserved for the Principal and Ancillary international sponsors. Therefore, before a venue can be approved by the ITF, a written statement must be supplied by the Host Nation that all the courts at the venue to be used for the Competition will be cleared of any boards, banners or other forms of commercial advertising and that any advertisements which cannot be removed will be covered for the duration of the event.

The ITF will provide each Host Nation with a Sponsorship Manual detailing their rights to secure Domestic Sponsors for the competition. Domestic Sponsors must not be concerned with the business of the provision of online educational services, or other related services, in order to afford category exclusivity to Dwight Global as an international sponsor. The Sponsorship Manual will also provide specific instructions regarding the dressing of competition courts with sponsor identification.

International Sponsors: None

SECTION X. ARRANGEMENTS FOR THE REGIONAL QUALIFYING COMPETITIONS

Regional Qualifying Competitions shall be held when the number of entries exceeds sixteen (16) boys' and sixteen (16) girls' teams.

The number of teams that play pre-qualifying/qualifying/final qualifying is determined by the respective Regional Association and the ITF based on entry numbers. Where necessary a pre-qualifying event may take place.

The 2025 Regional Qualifying competitions will produce the following number of boys' and girls' teams for the final stages of the ITF World Junior Tennis Competition:

	Boys	Girls
Europe	6	6
Asia/Oceania	<u>4</u>	4
South America	3	3
North/Central America & The Caribbean	2	2
Africa	<u>1</u>	1

The 2025 Regional Qualifying competitions will produce the following number of boys' and girls' teams for the final stages of the Davis Cup Juniors and Billie Jean King Cup Juniors Competition:

	Boys	Girls
Europe	6	6
Asia/Oceania	4	4
South America	<u>3</u>	3
North/Central America & The Caribbean	2	2
Africa	<u>1</u>	1

The regional distribution of places for the Competition is also based on a performance elimination system for which the 16th placed Region gives up a qualifying place to the Region which had reduced places in the previous year's Final. However, the North/Central America and Caribbean Region is guaranteed a minimum of two places and therefore, should a team from the North/Central America and Caribbean Region be placed 16th at the Final then the second last placed Region will be relegated in favour of the Region with reduced numbers from the previous year.

The Host Nation for the final stages of the Competition shall have one (1) place in the draw, to be deducted from that Nation's regional allocation. If the Host Nation is from a Region that only has one (1) place according to the regional allocation, the Region shall be awarded an additional place. This additional place is taken away from the Region that finished second last at the preceding Final. The ITF has the right to alter this regional selection allocation following the receipt of entries. The Host Nation may decline their participation in the Finals which must be confirmed by the player nomination deadline of the preceding qualifying event.

The Host Nation of the Finals may decline their place in the respective Pre-Qualifying/Qualifying/Final Qualifying event without penalty provided that confirmation is given to the ITF prior to the player nomination deadline of the respective pre-qualifying, qualifying or final qualifying event, whichever occurs earliest. Where the Host Nation declines participation in the qualifying rounds the additional spot created shall provide one further place to the preceding qualifying round, where applicable.

For each Regional Qualifying Competition a Tournament Committee shall be formed consisting of 3-5 persons to include a representative of the ITF, a Referee to be appointed by the Host Nation, and a Tournament Director to be appointed by the Host Nation. Regional Qualifying Competitions shall adhere to the Regulations for the final stages of the Competition, except for the following:

63. APPLICATION TO HOST AN EVENT

Any National Association wishing to host a Regional Qualifying Competition shall submit their preliminary application in writing to their respective Regional Association who will in turn submit their recommendation so as to reach the ITF by 31 October preceding the year in which the National Association wishes to host the Competition.

64. VENUES AND DATES

The ITF Juniors Committee shall select and announce the venues and dates for the Regional Qualifying Competitions ideally six (6) months in advance of the events. Captains and players must not share bedrooms under any circumstances. Players from the opposite sex must not share a room under any circumstances. The Host Nation must refuse any request that would be contrary to this Regulation. Private housing shall not be used by Host Nations as a form of hospitality. Each participating National Association is responsible for its own travelling expenses to the Regional Pre-Qualifying and Regional Qualifying Rounds.

If requested, the Host Nation shall submit an event budget to the Regional Association, where appropriate, and the ITF for approval at least two (2) months prior to the scheduled start of the Competition.

70. SEEDING

Seeded nations shall be selected by the ITF in conjunction with the applicable Regional Association (ATF/OTF/COSAT/COTECC), which shall take into account ITF Junior Rankings, professional rankings, regional rankings and results from ITF and Regional Association individual tournaments. In the event of nations appearing to be equal, a final decision will be based on performances by the relevant nations as follows:

- (a) performances in past ITF 14 & Under team competitions will be used in relation to the World Junior Tennis competition;
- (b) performances in past boys and girls 16 & Under team competitions will be used in relation to the Davis Cup Juniors and Billie Jean King Cup Juniors respectively.

The ITF Juniors Committee shall decide the number of seeds and byes depending on the size of the draw. The local organisers will be informed of the seeds and their position in the draw not later than twelve (12) hours before play is scheduled to begin.

71. DRAW

The Referee shall conduct the Draw at the venue on the day before play is scheduled to begin.

Warnings, Point Penalties, Game Penalties and/or a Default if assessed for violation of the Code shall be assessed against the team.

U. DETERMINATION AND PENALTY

The Referee shall make such investigation as is reasonable to determine the facts regarding all On-Site Offences and upon determining that a violation has occurred, shall report all facts in writing to the ITF Senior Executive Director and give written notice thereof to the player or Related Person.

V. APPEALS

Any player or Related Person found to have committed an On-Site Offence may appeal the determination of a violation and/or the punishment imposed under Article II. S by the Senior Executive Director. Any such appeal shall be heard by the ITF Internal Adjudication Panel, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against the ITF Internal Adjudication Panel's decision). The appeal shall be made in writing, using the form prescribed by the ITF must detail the basis for the appeal, and must be filed with the ITF Head of Junior Tennis by 5.00pm GMT within fourteen (14) days from the date the player or Related Person is notified of the violation (the "Notice of Appeal"). The Notice of Appeal must include a statement by the player or Related Person as to the facts and circumstances of the incident along with any other evidence the player or Related Person wishes to submit.

ARTICLE III: MAJOR OFFENCES

A. AGGRAVATED BEHAVIOUR

No player or Related Person at any ITF Junior Team Competition event shall engage in "Aggravated Behaviour" which is defined as follows:

1. One or more incidents of behaviour designated in this Code as constituting "Aggravated Behaviour".
2. One incident of behaviour that is flagrant and particularly injurious to the success of an ITF Junior Team Competition event, or is singularly egregious.
3. A series of two (2) or more violations of this Code within a twelve (12) month period which singularly do not constitute "Aggravated Behaviour", but when viewed together establish a pattern of conduct that is collectively egregious and is detrimental or injurious to the ITF Junior Team Competition.

Violation of this section by a player, directly or indirectly through a Related Person or others, shall subject the player to a maximum penalty of permanent suspension from play in any ITF tournament, event or tour, and Regional Circuit tournaments organized by any Regional Association.

Any player or Related Person who, directly or indirectly, offers or provides or receives any money, benefit or consideration to or from any other covered person or third party in exchange for access and/or accreditation to the tournament site shall be deemed to have engaged in Aggravated Behaviour and be in violation of this section.

Violation of this Section shall subject a Related Person to a maximum penalty of permanent denial of access to any ITF tournament, event or tour, and Regional Circuit tournaments organized by any Regional Association.

B. CONDUCT CONTRARY TO THE INTEGRITY OF THE GAME

No player or Related Person shall engage in conduct contrary to the integrity of the Game of Tennis. If a player is convicted of a violation of a criminal or civil law of any nation, the punishment of which includes possible imprisonment for more than one year, he/she may be deemed by virtue of such conviction to have engaged in conduct contrary to the integrity of the Game of Tennis and the ITF Head of Juniors Tennis may provisionally suspend such player from further participation in ITF Junior Team Competitions pending a final determination in Article III.E. In addition, if a player has at any time behaved in a manner severely damaging to the reputation of the sport, he/she may be deemed by virtue of such behaviour to have engaged in conduct contrary to the integrity of the Game of Tennis and be in violation of this section.

Violation of this section by a player, directly or indirectly through a Related Person or others, shall subject the player to a maximum penalty of permanent suspension from play in any ITF tournament, event or tour, and Regional Circuit tournaments organized by any Regional Association.

Violation of this Section shall subject a Related Person to a maximum penalty of permanent denial of access to any ITF tournament, event or tour, and Regional Circuit tournaments organized by any Regional Association.

C. WAGERS

No Player or Related Person may wager anything of value in connection with any Competition. Violation of this section shall subject the player to a suspension from play in the Competitions (and any other ITF sanctioned events) for a period of up to three (3) years. Violation of this section shall subject a Related Person to a maximum penalty of permanent denial of access to all Competitions (and any other ITF sanctioned events).

D. BRIBES OR OTHER PAYMENTS

No Player or Related Person may offer, give, solicit, or accept, or agree to offer, give, solicit, or accept, anything of value to or from any person with the intent to influence any Player's efforts or participation in any Competition. Violation of this section shall subject the Player to a suspension from play in the Competitions (and any other ITF sanctioned events) for a period of up to three (3) years. Violation of this section shall subject a Related Person to a maximum penalty of permanent denial of access to all Competitions (and any other ITF sanctioned events).

E. DETERMINATION AND PENALTY

The ITF will investigate all facts concerning any alleged Major Offence. All Players and Related Persons must cooperate fully with such investigations. The ITF may make a written demand to a Player or Related Person (a "Demand") to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Major Offence, including (without limitation) requiring the Player or other Related Person to attend an interview and/or to provide a written statement setting forth his/her knowledge of the relevant facts and circumstances. The Player or Related Person must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.

Where, as the result of an investigation under this Article III.E, the ITF forms the view that a Player or Related Person has a case to answer for commission of a Major Offence, the ITF shall send a written notice to the Player or Related Person (the "Notice of Charge") setting out:

- (a) the Major Offence(s) alleged to have been committed, a summary of the facts upon which such allegations are based;
- (b) the potential consequences applicable if it is determined that the alleged Major Offence has been committed; and
- (c) the Player or Related Person's entitlement to respond to the Notice of Charge in one of the following ways:
 - (i) to admit the Major Offence(s) charged, and accede to the consequences specified in the Notice of Charge;

- (ii) to admit the Major Offence(s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of Charge, and to have the Independent Tribunal determine the consequences at a hearing; or
- (iii) to deny the Major Offence(s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing;
- (d) if the Player or Related Person wishes to exercise his/her right to a hearing before the Independent Tribunal, he/she must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within ten (10) days of the Player or Related Person's receipt of the Notice. The request must also state how the Player or Related Person responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Player or Related Person will be deemed to have admitted the Major Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

In the event that the ITF withdraws the Notice of Charge, or the Player or Related Person admits the Major Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Major Offence(s) and the imposition of the specified consequences, and shall send a copy of the decision to the Player or Related Person.

Provisional Suspension

At the time, afterwards, or (exceptionally) before, it issues a Notice of Charge, the ITF may impose a Provisional Suspension on the Player or Related Person in question pending determination of the charge(s), where it considers it necessary to protect the integrity and/or reputation of the Competition, the ITF, and/or the sport of tennis.

Where a Provisional Suspension is imposed, the ITF shall notify the Player or Related Person of his/her right:

- (a) at his/her election, to make an application to the Chair of the Independent Tribunal convened to hear his/her case, either immediately or at any time prior to the full hearing, for an order that the Provisional Suspension should not be imposed (or, if the Provisional Suspension has been imposed, that it should be vacated). The Chair of the Independent Tribunal, sitting alone, will rule on the application as soon as reasonably practicable; and
- (b) to have the proceedings before the Independent Tribunal expedited so that the hearing is held, and the charge against him/her is determined, as soon as possible, consistent with the requirements of due process.

In circumstances where the ITF decides not to impose a Provisional Suspension, the Player or Related Person shall be offered the opportunity to accept a voluntary Provisional Suspension pending the resolution of the matter. If the Player or Related Person wishes to accept the offer (and receive credit against any period of suspension that might be

imposed), the Player or Related Person must communicate his/her acceptance in writing to the ITF, in a form acceptable to the ITF.

No admission shall be inferred, or other adverse inference drawn, from the decision of a Player or Related Person (a) not to make an application to avoid (or to vacate) a Provisional Suspension, or (b) to accept a voluntary Provisional Suspension.

A Player or Related Person may not, during the period of any Provisional Suspension, play, coach or otherwise participate in any capacity in any tournament, event or tour owned or sanctioned by the ITF.

Any period of Provisional Suspension served by the Player or Related Person (whether imposed or voluntarily accepted in writing, in a form acceptable to the ITF) shall be credited against any period of suspension imposed by the Independent Tribunal, provided that the Player or Related Person must have respected the terms of the Provisional Suspension in full. No credit against a period of suspension shall be given for any time period before the effective date of the Provisional Suspension (whether imposed or voluntarily accepted in writing, in a form acceptable to the ITF), regardless of the Player's or Related Person's status or lack of participation during such period. If a period of suspension is served pursuant to a decision that is subsequently appealed, then the Player or Related Person shall receive a credit for such period of Provisional Suspension served against any period of suspension that may ultimately be imposed on appeal.

Hearing

If the Player or Related Person charged exercises his/her right to a hearing, the matter shall be referred to the Independent Tribunal and shall be resolved in accordance with the Independent Tribunal's Procedural Rules.

F. APPEAL

The ITF, the Player and/or the Related Person may appeal the Independent Tribunal's decision to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

G. COMMENCEMENT OF PENALTY

A suspension imposed on a Player for a Major Offence shall take effect from the later of the following, unless specified otherwise by the Independent Tribunal or the ITF when issuing the suspension:

- a) The date of notification by the ITF or Independent Tribunal
- b) If the player is participating in a Tournament on the date of notification, the day after he or she finishes competing in that Tournament.

The revocation of accreditation or denial of access to ITF Junior Team Competitions imposed on a Related Person shall take effect immediately upon notification.

Any breach by a player or Related Person of the terms of their sanction under this Article III.G shall be referred to the ITF Internal Adjudication Panel and dealt with pursuant to clause 5 of the *Procedural Rules governing an Internal Adjudication Panel convened under ITF Rules*.

ARTICLE IV: COVID-19 PROTOCOLS (COVERED PERSONS)

In response to the Covid-19 pandemic, the ITF introduced an obligation for Covered Persons to comply with the *ITF Return to International Tennis Protocols* including without limitation the *Minimum Standard of Behaviour* (the “**Protocols**”).

The ITF reserves the right at any time to reintroduce the obligation for Covered Persons to comply with the Protocols. The ITF’s decision to reintroduce the obligation for Covered Persons to comply with the Protocols shall be made entirely at the ITF’s discretion and shall be made without any obligation to notify Covered Persons, National Associations, Regional Associations or other governing bodies.

In the event the ITF decides to reintroduce the obligation for Covered Persons to comply with the Protocols the provisions in Article IV: A, B, and C below shall apply.

A. MINIMUM STANDARDS OF BEHAVIOUR

Covered Persons shall comply with the Protocols. Any failure to comply with the Protocols shall amount to a violation of this Article IV. Violation of this Article IV may result in the following sanctions:

- (i) For a player: one or more point penalties in accordance with the Suspension Points Schedule pursuant to Article II.R (Point Penalty Schedule) or an Immediate Default and six (6) suspension points in accordance with Article II.S (Defaults).
One violation of this Article IV.A that is flagrant and particularly injurious to the success of the tournament, or is singularly egregious, or a series of two (2) or more violations of this Article IV.A within a twelve (12) month period which when viewed together establish a pattern of conduct that is collectively egregious and is detrimental or injurious to the tournament may also constitute the Major Offence of “Aggravated Behaviour”;
- (ii) For a Nation responsible for a Covered Person: disqualification in respect of the Tie, Event or Competition.
- (iii) For any other Covered Person: immediate revocation of accreditation and denial of access to the Competition site. One or more violations which are singularly or collectively flagrant or egregious or detrimental or injurious to the Competition may also result in permanent revocation of accreditation and denial of access to all ITF tournaments, competitions and events as determined by the ITF.

B. DETERMINATION AND PENALTY

The ITF Referee shall make such investigation as is reasonable to determine the facts regarding an alleged violation of Article IV.A. Upon determining that a violation has occurred, the Referee shall specify the sanction(s) to be imposed and give written notice thereof to the Captain or Covered Person (as applicable). The Referee shall not revoke a Covered Person’s entry and/or access to a stage of the Competition without first consulting the ITF Senior Executive Director save where the immediate revocation of entry and/or access to a tournament is, in the reasonable opinion of the Referee, necessary to preserve the health and safety of other Covered Persons.

C. APPEAL

Any Nation or Covered Person (as applicable) found to have committed an offence under Article IV.A may appeal the determination of a violation and/or the punishment imposed under section A. above (but not any Immediate Default issued to a player) to the ITF Internal Adjudication Panel, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against the ITF Internal Adjudication Panel's decision). The appeal shall be made in writing, using the form prescribed by the ITF and must be filed with the ITF by 17:00 (5.00pm) GMT within fourteen (14) days from the date the Nation/Covered Person is notified of the violation. The Notice of Appeal must include a statement by the Nation/Covered Person as to the facts and circumstances of the incident along with any other evidence the Nation/Covered Person wishes to submit.

ARTICLE V: MEDICAL CONTROL - ANTI-DOPING POLICY

Any Player, Captain, Player Support Personnel or other Person who participates in the ITF Junior Team Competitions shall be bound by and shall comply with all of the provisions of the ITF Tennis Anti-Doping Programme.

The ITF Tennis Anti-Doping Programme is set out in full on the ITF website (www.itftennis.com/antidoping) and in a separate rulebook that is published and distributed by the ITF to all National Associations. The ITF Tennis Anti-Doping Programme is also available upon application.

ARTICLE VI: WELFARE POLICY

Covered Persons (as defined in the Welfare Policy) that attend and/or participate in the ITF Junior Team Competitions shall be bound by and shall comply with the provisions of the Welfare Policy set out in Appendix D.

ARTICLE VIII: INTERPRETATIONS

Any person or entity subject to this Code may file with the ITF Internal Adjudication Panel a request for an interpretation or clarification of the Code and/or its applicability and effect on a particular event or transaction.

ARTICLE IX: NOTICE

All written communications to the ITF Senior Executive Director or Head of Junior Tennis should be addressed as follows, unless notice of change is subsequently published:

APPENDIX C – MEDICAL, EXTREME WEATHER CONDITIONS AND TOILET/CHANGE OF ATTIRE BREAKS

MEDICAL

a. Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Sports Physiotherapist (also known as the Primary Health Care Provider) during the warm-up or the match.

- Treatable Medical Conditions
 - Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
 - Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.
- Non-Treatable Medical Conditions
 - Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
 - Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
 - General player fatigue.
 - Any medical condition requiring injections or intravenous infusions, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered.
 - Any medical condition requiring oxygen, unless prior medical approval has been given by the ITF. Except as permitted by this provision, the use of supplemental oxygen is not permitted at any time, for any reason.

b. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Sports Physiotherapist, in conjunction with the Tournament Doctor, to evaluate him/her during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Sports Physiotherapist to evaluate him/her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the

discretion of the Sports Physiotherapist, such evaluation may be performed in conjunction with the Tournament Doctor, and may be performed off-court.

If the Sports Physiotherapist determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

c. Medical Time-Out

A Medical Time-Out is allowed by the ITF Referee or Chair Umpire when the Sports Physiotherapist has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Sports Physiotherapist determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Sports Physiotherapist is ready to start treatment. At the discretion of the Sports Physiotherapist, treatment during a Medical Time-Out may take place off-court, and may proceed in conjunction with the Tournament Doctor.

The Medical Time-Out is limited to three (3) minutes of treatment. However, at non-professional events, the ITF Referee may extend the time allowed for treatment if necessary.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Sports Physiotherapist, in conjunction with the Tournament Doctor, if appropriate, is final. If the Sports Physiotherapist believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle cramping may only be treated as part of the recommended treatment by the Sports Physiotherapist for the heat illness condition

Note:

A player who has stopped play by claiming an acute medical condition, but is determined by the Sports Physiotherapist and/or Tournament Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately. If the player cannot continue playing due to severe muscle cramping, as determined by the Sports Physiotherapist and/or Tournament Doctor, he/she may forfeit the

point(s)/game(s) needed to get to a change of end or set-break in order to receive treatment. There may be a total of two (2) full change of end or set-break treatments for muscle cramping in a match, not necessarily consecutive.

If it is determined by the Chair Umpire or ITF Referee that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the ITF Referee for the special circumstance in which the Sports Physiotherapist determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Sports Physiotherapist will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation and may then determine that two consecutive Medical Time-Outs are required.

d. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Sports Physiotherapist and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

e. Penalty

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalized by Code Violations for Delay of Game.

Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

f. Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Sports Physiotherapist should be called to the court by the Chair Umpire for evaluation and treatment. The Sports Physiotherapist, in conjunction with the Tournament Doctor, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.

If requested by the Sports Physiotherapist and/or Tournament Doctor, the ITF Referee may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

g. Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Sports Physiotherapist should determine if the player has a

treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

h. Incapacity

If any concern arises about a player's medical condition (whether physical or psychological) they are unable to compete, or they pose a serious health risk to players, officials or competition organisers or staff, the Sports Physiotherapist and/or Tournament Doctor should be called to assist the player.

If the issue arises during a match, the Chair Umpire should immediately call for the Tournament Doctor and/or Sports Physiotherapist to assist the player.

The Doctor is responsible for ensuring that the player is afforded the best medical attention, that his/her well-being is not put at risk, and that his/her medical condition is not a risk to other players or the public at large. All discussions between the Doctor and the player take place within the context of a doctor-patient relationship and are therefore confidential and may not be divulged to a third party without the informed consent of the player. However, if the Doctor determines that the player's medical condition makes the player unable to participate safely in the tournament, the player must permit the Doctor to advise the ITF Referee of their determination (only disclosing medical information to which the player has consented). Upon receipt of such report from the Doctor, the ITF Referee will decide whether to retire the player from the match in progress or withdraw the player from the match to be played (as applicable). The ITF Referee shall use great discretion before taking this action and should base the decision on the best interests of professional tennis, as well as taking all medical opinion and advice, and any other relevant information into consideration.

If the player's medical condition improves sufficiently to return to match play, the Doctor may inform the Referee accordingly. At the discretion of the Referee, the player may subsequently compete in another match in that tie (e.g. doubles) or that event, either that day or on a subsequent day.

It is recognized that national laws or governmental or other binding Regulations imposed upon the tournament by authorities outside its control may require more compulsory participation by the Doctor in all decisions regarding diagnosis and treatment.

EXTREME WEATHER CONDITIONS AND LIGHTNING

a. Definitions

Extreme Heat Condition: Modification of Play

Extreme Weather Conditions shall be defined as when the Heat Stress Index (Wet Bulb Globe Temperature (WBGT) Index) meets or exceeds 30.1°C/86.2°F. If the WBGT cannot be measured, then the Heat Index should be calculated using the chart below, and Extreme

Heat Condition: Modification of Play criterion is defined as when the Heat Index meets or exceeds 34.0°C (93.2°F).

Extreme Heat Condition: Suspension of Play

Extreme Heat Condition: Suspension of Play criterion is defined as when the WBGT on court meets or exceeds 32.2°C (90.0°F). If the WBGT cannot be measured, then the Heat Index should be calculated using the chart below, and Extreme Heat Condition: Suspension of Play criterion is defined as when the Heat Index meets or exceeds 40.1°C (104.2°F).

b. Measurement Procedure

The WBGT or Heat Index should be measured at least three (3) times daily by the ITF Referee or his/her designee. Ideally, measurements should be taken every two (2) hours, but a minimum three (3) readings should be taken at the following times:

- i. 30 minutes before match play begins;
- ii. Middle of the scheduled day's play; and
- iii. Just prior to beginning the last match of the day, or just prior to the start of the first evening session match.

The WBGT or Heat Index also should be measured under the following circumstances:

- (a) Following any suspension of play; and
- (b) At the discretion of the ITF Referee, in consultation with the Tournament Doctor and/or Sports Physiotherapist.

Details on the measurement of WBGT and Heat Index are provided in the current edition of the *ITF Guide to Recommended Health Care Standards for Tennis Tournaments*.

c. Extreme Heat Condition: Modification of Play

When the Extreme Heat Condition – Modification of Play criterion is met before the start or resumption of a match, the procedures set out below in sub-section (d) should be followed. For the avoidance of doubt, the ITF Referee has the discretion to apply the procedures set out in sub-section (d) at a WBGT or Heat Index below the Extreme Heat Condition: Modification of Play criterion, if in his or her opinion it is required in the safety and wellbeing of players, officials, spectators or others.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is met while a match is in progress, as determined by the periodic monitoring set out above in sub-section (b), the procedures set out below in sub-section (d) should be followed on all courts, including matches already in progress. Once notified that the Extreme Weather Condition: Modification of Play criterion is met, the Chair Umpire must inform the players when the players next approach the players' bench for a change of ends or set break.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is no longer met, as determined by the periodic monitoring set out above in sub-section (b), those matches already in progress should continue to follow the procedures set out below in sub-section (d) until they are completed or suspended.

d. Modification of Play Procedures (Singles & Doubles)

A 10-minute break will be allowed between the second and third sets (in a best of 3 tie-break sets match only) if one or more of the players requests such a break. If neither/none of the players requests such a break, then play will continue.

However, if a match has already resumed following the suspension of play and one set was completed before the suspension of play (in a best of 3 sets match), the 10-minute break will no longer be available, unless otherwise decided by the ITF Referee.

The ITF Referee, in consultation with the Tournament Doctor/Sports Physiotherapist, may choose to delay the starting time for matches until such a time as the Extreme Heat Condition: Modification of Play criterion is no longer met.

- i. During the 10-minute break:
 - a. Coaching is allowed.
 - b. A Medical Evaluation, Medical Time-Out or Medical Treatment is not allowed, unless approved by the ITF Referee. Approval would normally be restricted to requests for the Tournament Doctor/Sports Physiotherapist that are made on-court to the Chair Umpire, or were already agreed before the end of the second set (in a best of 3 sets match). However, a player is allowed to receive an adjustment of medical support, medical equipment and/or medical advice from the Tournament Doctor/Sports Physiotherapist during the 10-minute break.
- ii. Immediately following the 10-minute break:
 - a. Any delay in resumption of play will subject a player to Time Violations under the Code of Conduct (Warning and Point Penalties only apply).
 - b. No re-warm up is allowed.
 - c. A player is not allowed to receive a Medical Evaluation, Medical Time-Out or Medical Treatment, unless approved by the ITF Referee.
- iii. Consecutive Breaks

An Extreme Weather Condition: Modification of Play 10-minute break and a Bathroom/Change of Attire break cannot be taken consecutively.

e. Extreme Heat Condition: Suspension of Play (Singles and Doubles)

When the Extreme Heat Condition: Suspension of Play criterion is met before the start or resumption of a match, the start or resumption of play should be suspended until Extreme Heat Condition: Suspension of Play criterion is no longer met. If a game is in progress when the Extreme Heat Condition: Suspension of Play criterion is met, play should be suspended at the end of that game. Once the Extreme Heat Condition: Suspension of Play criterion is no longer met, the ITF Referee should give the players reasonable notice of the time at which play will resume. For the avoidance of doubt, the ITF Referee has the discretion to suspend play at a WBGT or Heat Index below the Extreme Heat Condition: Suspension of Play criterion, if in his or her opinion it is required in the safety and wellbeing of players, officials, spectators, or others.

f. Lightning

The ITF Referee or his/her designee is responsible for monitoring the local weather for lightning. The ITF Referee has the authority to suspend play when a thunderstorm appears imminent (for instance if lightning is sighted and thunder occurs in 30 seconds or less). Everyone on-site should be advised to seek appropriate shelter immediately. Play should not resume until the likelihood of a lightning strike has passed (as a guideline, at least 30 minutes after the last lightning strike is seen and the last sound of thunder is heard). Additional information on thunderstorms and lightning is provided in the *ITF Guide to Recommended Health Care Standards for Tennis Tournaments*.

TOILET/CHANGE OF ATTIRE BREAK

A player is allowed to request permission to leave the court for a reasonable time for a toilet break/change of attire break (girls' matches).

Toilet breaks/change of attire breaks must be taken on a set break.

In girls' singles matches a player is entitled to one (1) break during a match.

In boys' singles matches a player is entitled to one (1) toilet break during a match.

In a doubles match, and in any singles matches played with a reduced format of two tiebreak sets and a match tiebreak, a toilet break/change of attire break is permitted before the match tiebreak.

In a doubles match, each team is entitled to two (2) breaks. If partners leave the court together, it counts as one (1) break. If only one player leaves the court, it also counts as one (1) break.

These breaks may be taken for toilet visits, change of attire (girls' matches), or both, but for no other reason whatsoever.

Any time a player leaves the court for a toilet break, it is considered one of the authorised breaks regardless of whether or not the opponent has left the court.

Any toilet break taken after a warm-up has started is considered one of the authorised breaks.

Toilet breaks not taken on a set break will be authorised but will be penalised in accordance with the Point Penalty Schedule if the player is not ready to play within the allowed time.

The Referee shall have the authority to deny a player permission to leave the court during a match for a toilet and/or change of attire break if it is interpreted by the Referee as gamesmanship and/or flagrant abuse of the Rules.

A player should not take a toilet/change of attire break and a medical time out consecutively unless approved by the Referee. A player may change her attire during a toilet break.

Any player abuse of this rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

APPENDIX E THE PLAYERS

1. Definition of “Good Standing” of a Player

Any player or captain selected by a Nation to take part in the Competitions must be of Good Standing. The National Tennis Association of the Nation for which the player or captain is to be selected shall determine whether the player is of Good Standing before he/she is selected to take part in the ITF Junior Team Competitions.

A National Tennis Association shall deem a player or captain to be of good standing where he/she:

(a) is free from a suspension for breach of a code of conduct or other disciplinary regulations, imposed by his/her National Tennis Association, the ITF, or by another relevant organisation enforcing a Code of Conduct that the ITF considers is relevant to a player’s Good Standing;

(b) is accepted by the National Tennis Association as being under its jurisdiction while competing in events for which the National Tennis Association has selected such player or captain.

(e) accepts the conditions of entry of the events such player or captain enters, including the conditions of any Code of Conduct adopted for those events and the terms and conditions contained in the IPIN registration system.

(f) agrees to undergo any medical control and/or other tests which are in operation at any event which such player or captain enters.

A National Association shall make an initial determination of whether a player meets the Good Standing Criteria (an 'NA Determination').

An NA Determination can only be reviewed where:

- i) It relates only to Good Standing Criteria (a), (g) and/or (h);
- ii) The player has exhausted any internal National Tennis Association appeal mechanisms (if the review is sought by the player); and
- iii) The request for a review is lodged no later than 21 days after the party requesting the review receives notice of a final NA Determination.

A review by a player or the ITF of an NA Determination shall be heard by the ITF Internal Adjudication Panel (IAP). IAP may set aside the NA Determination only where it would be unreasonable in all the circumstances to deny or allow (as applicable) the player eligibility to represent their nation, including but not limited to:

- i. Where the NA Determination was so unreasonable as to be manifestly excessive or manifestly prejudicial to the player;
- ii. Whether the proceedings that resulted in the NA Determination were procedurally unfair or contrary to natural justice, having regard to all the circumstances; or
- iii. Where the reputation of the competition or the ITF would suffer serious prejudice if the player were to participate.

Any decision of the IAP made under this Appendix shall be final and binding. For the avoidance of doubt, the IAP shall not act as a further appeal body for, nor have any powers to dismiss or modify any disciplinary suspension or sanction that falls within Good Standing Criteria (a), and appeals against any such decision shall be handled in accordance with the procedural rules applicable to that decision.

ITF hereby confirms that each host organiser may on a royalty free basis use official data by the following means:

ITF will not unreasonably refuse any request to incorporate such a link provided that the link is incorporated in accordance with ITF directions.

All other rights to use or create or assemble official data or in any way to exercise the data rights are reserved exclusively to ITF and may be exploited by ITF at its sole election.

The host organiser shall co-operate with the ITF in relation to:

- Any system or scheme that the ITF implements for the exercise, collection, supply and/or licensing (in each case by the ITF itself or via an appointed 3rd party) of live scoring rights;
- Any measures that the ITF takes to protect the exclusivity of live scoring rights and the prevention of any unauthorised collation, collection, use, storage, reproduction, onward supply or making available of official data.

5. PAT data exploitation

If ITF authorises use of an Approved PAT which generates ELC Data it may also agree that such ELC Data can be used by the relevant National Association for officiating purposes in respect of a match or Competition, and the National Association shall comply with any directions or additional terms and conditions ITF may require in relation to such use.

Otherwise, use of PAT Data by any National Association, Player or coach shall be subject to the following conditions:

- i. PAT data shall only be used for internal analysis and coaching purposes of the respective player (or in the case of a National Association, players under their jurisdiction) and such use shall be strictly subject to Rule 31 of the Rules of Tennis.
