ALLOCATION OF QUALIFICATION SLOTS

The qualification slot is allocated to the individual athlete, not to the NPC.

MAXIMUM QUOTA ALLOCATION PER NPC

An NPC can be allocated a maximum of four (4) male and four (4) female qualification slots for athletes competing in the men's and women's events, and no more than three (3) qualification slots in the quad event for a maximum total quota allocation of eleven (11) qualification slots per NPC.

ATHLETE ELIGIBILITY

All athletes must comply with the General IPC Regulations on Eligibility detailed in the front section of the Paris 2024 Paralympic Games – Qualification Regulations, published here: <https://www.paralympic.org/paris-2024/qualification-regulations>.

Unless otherwise specified in this Qualification System, to be eligible for selection by an NPC, athletes must also:

- 1 have an official ranking on the Wheelchair Tennis Singles World Ranking List dated 15 July 2024 (subject to the exception for Bipartite Commission Invitations set out below); and
- 2 be internationally classified in an eligible Sport Class with a Sport Class Status of (i) Confirmed; or (ii) Review with a Fixed Review Date of 01 January 2025 or later; and
- 3 have been part of a final nominated team and been present onsite for World Team Cup events (including qualifying and Junior World Team Cup) for a minimum of

two (2) years between 2021 and 2024 provided that one of these years is either 2023 or 2024 (however, exceptions to this requirement may be granted by the ITF in accordance with the ITF Paris 2024 Paralympic Wheelchair Tennis Event Regulations); and

- 4 fulfil the minimum eligibility requirements outlined here: <https://www.itftennis.com/media/7643/paralympic-wheelchair-tennis-event-eligibility-rule-paris-2024.pdf>

For Bipartite Commission Invitations, the ITF and the IPC may consider athletes who do not have an official ranking on the Wheelchair Tennis Singles World Ranking List dated 15 July 2024 as long as they have competed in at least one ITF Wheelchair Tennis competition between 01 January 2022 and 14 July 2024.

NPCs may only nominate athletes for participation in the Paris 2024 Paralympic Wheelchair Tennis event if their country's National Association is a current ITF member in good standing, and it has been a member since at least 31 December 2023.

The participation of an athlete in the Paralympics is conditional upon meeting the above detailed athlete eligibility criteria (both IPC and ITF). For the avoidance of doubt, where either the ITF or IPC eligibility criteria impose stricter or additional requirements than the other, the stricter or additional rules shall apply.

MAXIMUM ENTRY PER NPC

An NPC can enter a maximum of four (4) qualified male athletes and four (4) qualified female athletes in the men's and women's singles events, respectively.

An NPC can enter a maximum of three (3) qualified athletes in the quad singles event.

An NPC can enter a maximum of two (2) eligible men's teams and two (2) eligible women's teams in the men's and women's doubles events, respectively.

An NPC can enter a maximum of one (1) eligible team in the quad doubles event.

Team Members are selected from the athletes participating in their respective singles event. NPCs must submit their doubles nominations in writing to the ITF by 5 August 2024. Any nomination changes shall be as provided for in the ITF Paris 2024 Paralympic Wheelchair Tennis Event Regulations.
